CLARIFICATION ABOUT THE CURRENT STATUS OF ACCREDITATION OF KABALE UNIVERSITY ACADEMIC PROGRAMMES

A few weeks ago, there was an article shared on social media that incorrectly described the academic programmes at Kabale University. As a follow up to the Kabale University Press Release of 23rd May 2023 (REF.KAB/CBM/03/05/2023) we would like to provide clarification as follows:

- (i) There are twenty-eight (28) Academic Programmes mentioned in that article that Kabale University does not offer, at all.
- ii) (Seven (7) programmes were phased out in 2015. Consequently, no students are enrolled for those programmes.
- iii) A full list of the programmes that are on offer are clearly listed on the University website. These are valid and fully accredited.
- iv) We would like to encourage you to refer to the details provided on the **website - www.kab.ac.ug**; for more details.

If there is any other information that you may require, please do not hesitate to contact us. **NCHE has been requested to update the lists accordingly.**
